"Wow. What a superb week. Don't think I've ever enjoyed a competition so much. Great company, great organisation, great courses and we even managed to play well. Having played tournaments and competitions around the world this was by far the most professionally organised and thoroughly enjoyable event. Every competitor, whether scratch or 24 handicap, was made to feel special. The golf was competitive yet played in a great spirit of friendly rivalry. Many of the younger golfers really excelled. There is no question that we will enter again next year."
